

REMARKS

This Preliminary Amendment is being filed to limit the claims to the method for the feedback control of electrosprays and to add a discussion of Figure 29 to the Brief Description of the Drawings.

No new matter is added, as literal support for the language being added is found at page 61, lines 2-5, of the original specification.

Favorable action is respectfully solicited.

Respectfully submitted,

NORRIS, McLAUGHLIN & MARCUS, P.A.
